Incredible design - Color Me QuirkyBy Joleen DuBoisIncredible designs - extra ordinarily fun. Hope there are more to come. I live a highly active life which asks for occasional quiet times during the week; I get totally absorbed while coloring, and at the same time, feel highly creative

Wouldn't you love to color feathered, flying pigs or a Lady fish wearing fishnet stockings and high 'eels'? Perhaps an eccentric bird, modeling a swanky, flowered dress, complete with a jeweled pill box hat, is more to your liking? Color Me Quirky has many curious drawings that will amuse and tickle your fancy. As you begin to color, there's an excellent chance it might even brighten your day. Anything is possible when you immerse yourself in this delightful, yet quirky coloring book.
