Perfect size.I am a little disappointed because it does not include The Starry Night as a postcard. After thinking about it, I'm sure it is because the Starry Night is at MOMA and not the Van Gogh Museum (author of postcard book). It is my fault for not considering this fact, It is just disappointing because the Starry Night is my favorite Van Gogh painting. :) Just wanted to share in case anyone else is in my same boat. A lot of other great favorites ARE included: Self Portrait With Gray Felt Hat, Sunflowers, The Bedroom, View of Auvers, Sprig of Flowering Almond in a Glass, and more.
