Peter Gray : Coloring Beautiful Flowers before purchasing it in order to gage whether or not it would be worth my time, and all praised Coloring Beautiful Flowers:

A beautiful botanical coloring book featuring classic illustrations next to full page coloring guides. The exquisite flower illustrations are taken from Pierre-Joseph Redoute's 18th-century book *The Most Beautiful Flowers (Les Plus Belle Fleurs)* and from the botanical periodical *Horticultural Illustration*. A perfect book for anyone who appreciates the beauty of flowers and who wants to improve their coloring skills.

About the Author Peter Gray is long established as an illustrator of books, magazines and newspapers with occasional forays into such fields as film storyboards and costume design, advertising and animation projects. Peter is also the author of many books for adults and children, which have been published in many languages all around the world
