Probably a strange choice for an 80 yr' old woman, but nevertheless I am having a great time coloring these funky lovely, sexy ladies. Good paper stock, and great drawings. It's amazing what a little bit of color can do to bring it all to life. I have finished a couple of other books similar to this .... but this one had a certain winners edge for me.0 of 1 people found the following review helpful. Coloring Steampunk has wonderful line art to colorBy PINPOP[[VIDEOID:b768b2cd1cfc524a6c913d129126b30c]] I love Coloring Steampunk Mollishers Nemmos. The book has lots of detail to color in the line art illustrations. There is lots of opportunity to express yourself with color and design. If you love steampunk it is a great book.
