**Marla Hinson : Colour and soothe: a colouring book to lose yourself in** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Colour and soothe: a colouring book to lose yourself in:

A collection of 60 fabulous art designs to keep you entertained for hours. Colour yourself calm and unleash your creativity by using your favourite art materials on these assorted pictures, ranging from intricate geometric patterns, to the abstract, and many, many more great designs. The reverse of each page has been left blank to prevent colours from bleeding through. Enjoy!
