Sometimes you just need to buy yourself something fun, pointless, and awesome.3 of 3 people found the following review helpful. Strange but appealingBy kwilliamsInteresting to have a coloring book for a celebrity. As my daughter put it there is something strangely awkward but appealing about the book. If you are a fan of Benedict Cumberbatch it is a must for any collection. Not so sure I would want to color the pages. I notice there are several books in this line of "Colour Me Good" products. I would not be surprised if they are all a bit awkward.1 of 1 people found the following review helpful. Funny Fun Coloring Book for Benedict Cumberbatch Fans!By Pamela VYes, this is silly, good fun. A great gift for the Benedict Cumberbatch fan. It's basically a thin coloring book for the Sherlock fan. Silly and funny. I think I'll check out some more I Love Mel coloring books.

It doesn't take Sherlock Holmes to deduce who's popular at the moment... One Benedict Cumberbatch, epicly named English actor, is the man of the moment. The slow trickle of long-awaited Sherlock series (three episodes at a time is just inhumane!) keep anticipation high for his most notable TV show, but he's been everything from nerds to dragons, period drama to futuristic Sci-Fi baddies on the big screen in recent years. Everyone and their mum loves him! This colouring in activity book celebrates Mr Cumberbatch with a series of black and white drawings for you to colour in.

All you need is some colour pencils, felt tip pens, good old crayons... or would watercolours suit this posh poster boy better? The colouring book contains 16 black line drawings by Mel Elliott for you to colour in.
