Jamie Dornan has a history of smouldering in the direction of a camera, and as the man of the moment, we're honouring Jamie and his scruffy beard with a colouring book...It's not necessary to go buy 50 grey pencils to take part! Besides wonderful colouring pages, there are activities to get you drawing, contemplating and oh yeah... you get to design some ties. What better way to spend a rainy afternoon.

About the Author, a pop artist and RCA graduate, began self-publishing under the label I LOVE MEL in 2009, and her Colour Me Good range of grown-up coloring books have received international critical acclaim. Currently living on the South Coast (UK), Mel Elliott graduated from the Royal College of Art in 2007, and began self-publishing grown-up 'fun books', after a short stint in advertising. Combining her love of pop culture and illustrative talents, she produces material that is close to her heart and produces the stuff that she wants to buy.
