**Michael Rosen : Colour Young Puffin No Breathing In Class** before purchasing it in order to gage whether or not it would be worth my time, and all praised Colour Young Puffin No Breathing In Class:

A collection of poems about school and friends - some familiar favourites and some brand new poems to excite young readers. Michael Rosen's humorous insights into children's lives make this a wonderfully accessible collection, with full colour illustrations by the irrepressible Korky Paul.

About the Author Michael Rosen is one of the best known figures, not only in the children's book world but also the British arts scene. His first book of children's poems was published in 1974, and he has gone on to write numerous and award-winning children's poetry books, picture books and non-fiction such as *Quick, Let's get Out of Here and We're Going on a Bear Hunt*. Alongside this he performs, teaches, lectures, presents *Word of Mouth* on Radio 4 and reviews books for the Guardian. In 2007, Michael was appointed the fifth Children's Laureate - a role which he says will be used to be an "ambassador of fun".
