Daniel Saldana : Come Here you Little Sh*thead before purchasing it in order to gage whether or not it would be worth my time, and all praised Come Here you Little Sh*thead:

Warning: This is an adult book; do not let your kids read it. You know those good-idea-fairy, self-loving, can't do any wrong parents? Well, imagine a book written by a beer loving, truth talking, shameless father of three. The shenanigans run wild in this 30-something page book that destroys the stereotypical household. Brace yourself; sh*t gets real! "Definitely humorous and relatable to every parent I'm sure!" – sibling to many "It's funny, but really messed up." –anonymous reader. "What did I just read?" –public educator. "Perfect gift to scare new parents." –A dad. "That was hilarious! The list hit really close to home! If I had a dollar for every time I had to tell our son..."–beta_reader_keeping_it_real "I could see parents giving this to their adult kids as a gift before they have their own kiddos!" –mommy_of_two About the author. Daniel Saldana is a disgruntled Army veteran who decided one day to combine his sarcasm and artistic abilities to create his own brand of adult storybooks. He is married to his best friend and together they raise their three wild children.
