The English language... colorful, descriptive and vibrant! It's also confusing, weird and full of wackiness! This edition of "Commodus Opus" is entitled "If You Know What I Mean", and takes a fun look at the words, phrases and

terminology that we use to communicate and confuse each other with!

About the AuthorPage Cole is a fun guy with a wild sense of humor. Oh yeah, and he likes to make the most of his bathroom time by multi-tasking... enjoying some leisurely reading while he's spending time on the porcelain throne! Getting some comedic relief while your bowels are getting relieved too? It only seems fair!
