**Ron Carlson : Common Sense, Nonsense, or Church Sense: Hilarious, Hard-Hitting Stories Full of God's Truth** before purchasing it in order to gage whether or not it would be worth my time, and all praised Common Sense, Nonsense, or Church Sense: Hilarious, Hard-Hitting Stories Full of God's Truth:

0 of 0 people found the following review helpful. Five StarsBy HelenI love this book! It's Christian, smart and funny.0

of 2 people found the following review helpful. Excellent Writing--Hilarious and Hardhitting!!By CustomerRon Carlson is a funny guy. At least one would expect him to be a funny guy after reading his oeuvre. His most widely anthologized story, "Big Foot stole my Wife" is both touching and hysterical. His newest collection, represented here, is equally well-written and--as the title states--hilarious. Speaking of which, I've heard many people clamor that saying your book is hilarious in the title is arrogant and presumptuous. But if you can pull it off (like Dave Eggers did with "A Heartbreaking Book of Staggering Genius") it only adds to the tome's appeal. Carlson's characters are mostly everyday people but each with subtle quirks that set them flying into impossible and funny situations. The best part about the characters is the wonderful touch Carlson has with dialog. These people are funny! But it's funny because it's real. People actually talk like they do in this book, unlike say, a David Rabe play or D.F. Wallace book. This is a wonderful read. I ... it is made available (when the book-reading members of the country realize they're overlooking a wonderful piece) definitely pick up this book. I promise you'll enjoy it! 2 of 2 people found the following review helpful. Beware! By A Customer Don't make the same mistake I did. This is not the same "Ron Carlson" who is best known for his short stories, but another author by the same name. This is actually a book of "humorous" Christian essays, i.e. nonfiction. Nothing wrong with that, but it ain't what I was expecting. The other review posted here is obviously written about another book and is posted here in error.

Book by Carlson, Ron
