3 of 3 people found the following review helpful. fairly interestingBy DeborahI recognized quite a number of quips and stories from having seen them on joke web sites. That really disappointed me. There a few typos. The author does say that he can't vouch for some of the stories being true. I wouldn't have purchased this book had I known that.0 of 0 people found the following review helpful. loved it!!!By MariAnn SquierVery good condition! Mr. King scratched his head and said, "Gee I just don't know, I've just about used up all the names I can think of." He glanced up at a sign that read, "No Smoking."
