Margaret Sullivan : Cook As I Say, Not As I Do before purchasing it in order to gage whether or not it would be worth my time, and all praised Cook As I Say, Not As I Do:

1 of 1 people found the following review helpful. Cookbook ComedyBy Book LookerI picked this book up in a dollar store because I started reading it and laughed out loud. After reading it I wanted to share it with so many people and I also wanted to keep it for myself. I am so happy to find it on .I recognize myself and many other people in this book. Read it if you want comic relief about cooking, mothers, daughters, friends. I may even try a few of the recipes and of course I am going to order more books.
