Henry Beard, Roy McKie : Cooking: A Cook's Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Cooking: A Cook's Dictionary:

0 of 0 people found the following review helpful. How do I do that?By G GrueningerI bought this to give to a dear girl who will someday be my granddaughter-in-law. If you can read, you can cook---but not if you don't know the language. This book is helping her already--and she loves it. Well done.0 of 0 people found the following review helpful. Funny and funBy Susan SeymourThis is a collection of very amusing definitions. The author clearly holds nothing sacred vis-a-vis the cooking traditions that sometimes seem to believe genuflection to the chef is not out of place. Fun.1 of 1 people found the following review helpful. Fun for all cooksBy pat moomeyI am sharing this book with many of my friends who do not usually like to cook. We will get many laughs from it.

Gadget: Any mechanical device that performs a kitchen task in one-twentieth the time it takes to find it. Fermentation: Chemical reaction, caused by microbes, that turns malt into belches and grapes into hangovers. From the 2.4-million-copy bestselling series that gave new meaning to the word dictionary for sailors, golfers, computer users, and more, here is the last-and funniest-word on cooking. Skewering the world of food preparation and its phrases and foibles, the authors mince through all the confusion and pretension to serve up the ultimate book for cooks, gourmets, and gourmands. Calorie to craving, al dente to al musho, over 200 delicious definitions and 50 full-color, full-page drawings add spice and wit to the kitchen. 102,000 copies in print.

From the Back Cover THE DICTIONARY THAT DOESN'T MINCE WORDS A lexicon bringing new meaning to matters of taste. FROM: Chef: Any cook who swears in French. TO: Helpful Guest. Well-intentioned individual who assists in the process of converting the good china into the everyday china.
