Afrodite Stathi : Cooking my way into marriage-A greek Book: I mean a greek book written in greek,never mind the english title (Greek Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cooking my way into marriage-A greek Book: I mean a greek book written in greek,never mind the english title (Greek Edition):

Cooking my way into marriage, is a Greek book with an English Title. You see Maria Antoniou, the character hero wanted her story to be told... So... she found this way... "I am gonna full everyone... I am gonna have an English title... so that my enemies would not know I am me... but my story will be told entirely in Greek... Yes... indeed". Maria Antoniou, is a 35 years old Greek girl, just divorced.. Her only degree...? Knowing how to cook extremely magical.. So she makes her decision... "In one year.. I am gonna get married and have the best restaurant".. Is she gonna make it...? Well, you must know Greek to read her story!!!! "Cooking my way into marriage" is a romance novel with strange all over the world recipes, entirely written in Greek....
