A Clever, Amusing, and Amazing Work of ArtBy Jeffrey GawelMost people know of David Yow from his years of fronting the power house known as The Jesus Lizard in the late 80's and 90's (happy memories), but most people probably don't know that his artistic talents extend way beyond music and into painting, digital and mixed media, acting, etc. "Copycat: And A Litter of Other Cats" is one example of his work, and it really is an awesome little book! I was lucky enough to get one of the advanced copies and I knew that it would be great - but when it arrived, as usual, it exceeded all expectations. All of the cats + puns are, at a minimum, amusing; many are downright hilarious; a few might make you think for a few seconds (that's a good thing); and ALL are beautifully rendered and presented. David's incorporation of textures and such into the depictions is really amazing and imbues each drawing with a little bit of personality. Even the cover work is solid, as is the overall presentation. This is a great book for anyone's collection, a must-have for the cat people, and pretty much the perfect gift for everyone else out there. Great job, David!4 of 4 people found the following review helpful. Copycat is the Cat's MeYowBy Layla Morgan WildeIn the world of cat books there are many copycats so it's a thrill to find something as fresh and original as COPYCAT And A Litter Of Other Cats by David Yow. The hefty, hardcover art book from indie Brooklyn-based publisher Akashic Books defies being CATegorized. Clever, cute and quirky cat puns are illustrated in Yow's unique, multi-media graphic style. Any of the images would work on t-shirts fit for hipster cat lovers from

coast to coast. The book is more edgy than Hello Kitty cute i.e. the S M Catsuit on page 149. The only real cat referenced is Grumpy Cat and it's worth the price of admission. 4 of 4 people found the following review helpful. Me YowBy MarkThis is an awesome book. Over 70 illustrations of cats that involve a cat pun or play on words. Most are pretty funny. The illustrations are really cool and if you look closely, you can see photos of different textures (hair, gravel, fabric, etc) are used to create parts of the cats. This is not what you would expect from the madman who used to front the amazing band, The Jesus Lizard, but it is really cool nonetheless.

"Each page is delightful. These are premium cat drawings, quite worthy of this handsome hardcover book."--Newcity Lit"David Yow is part punk, part cat lady."--Brooklyn Paper"Fortunately, if you've been looking for a less embarrassing thing than Cat Fancy to adorn your coffee table, I've got good news: David Yow has just the book for you."--Verbicide Magazine"You could say Yow's book is the cat's MeYow. Snap it up fast cat peeps."--Cat Wisdom 101"Something good to read with your kids."--The Big Takeover"Surely you know crazy cat people like me who could use a hardback kitty-art book. Indulge them. They'll thank you--after they're done giggling--I'm sure of it."--Persephone Magazine"Feeling down? Leafing through this book is sure to make you smile! It is the purrfect gift for cat lovers of all ages and one you will want to turn the pages of again and again! It's also purrfect cocktail party fodder, keep this just a paw's reach away on your coffee-table, you have an instant conversation starter!"--Cat Chat with Caren and Cody"Cats and puns illustrated by a musician? It's like the Book Gods sensed a need in my life and amply provided."--The Cannonball Read"The only thing I did not like about Copycat is that, according to my human, kitties are not supposed to eat it."--Sparkle the Designer Cat"Cute drawings mixed with photos, very creatively crafted, with an endearing little face on each one."--Cottage Country Reflections"This is a great collection...an interesting and eye catching coffee table book."--Jenn's Review Blog"If you're a fan of graphics, words, or cats, this book will talk to you....I don't think you'll find another one like this unique book."--Journey of a Bookseller"This is a charming collection of drawings by David Yow...The drawings are all beautiful and David Yow's talent shines in each one."--Socrates' Book Reviews, "5-kitten" review"Copycat is a fun and whimsical book that any cat lover will enjoy."--Bergers Book Reviews"Hey David, it's me BUB. I read your book, and can't deny that I didn't read the whole thing in the first sitting. 'Catsup' and 'Catastrophe' are worth the price of admission alone. WOW YOW, MEOW."--Lil BUB, Internet cat celebrityDavid Yow's cat portraits, captured here for the first time in book form, are bold, striking, hilarious, and beautiful. Each portrait is based around a pun, but they capture so much more than wordplay. All cat lovers will find something to relish in this gorgeous coffee-table book, which is the perfect gift for cat enthusiasts, animal lovers, and anyone with a playful sense of humor.About the book, David Yow says: "I love cats. Always have. The only time I didn't have a cat was a brief hell in Chicago where I lived in an apartment whose landlord didn't allow them. At that place, I had a life-sized cardboard cutout of a cat which I named Toody. I also love wordplay. I'm the only adult I hang out with who still gets a kick out of puns. I make up palindromes. I used to write songs and poems (these days, I leave that for the songwriters and poets); in this book of cat-pun drawings, I have made a concerted effort to come up with ideas that range from really funny to really amusing. The entire litter of animals in this book are line drawings that are 'colored in' with photographic textures, and each cat is dropped into a photographic setting. Yep, that's the truth."

About the AuthorDavid Yow is an artist, cartoonist, and musician who is best known as the singer of the bands the Jesus Lizard—arguably the best and most popular indie-rock band of the 1990s—and Scratch Acid. He lives in Los Angeles, California.
