**Aye Jay : Country Music Fun Time Activity Book: The Paul Tracy Story** before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Music Fun Time Activity Book: The Paul Tracy Story:

0 of 1 people found the following review helpful. Bought as a gift. By Lydia It was a hit. This is more for the offbeat country fan. The variety of activities inside was nice. I also bought Aye Jay's Punk Rock Fun Time Activity Book. 2 of 2 people found the following review helpful. Hilarious collection of Country music-themed activities for all ages. By hyperbolium No matter how hard you try, your children will spend their teens hating the music of your youth. But if you plant some seeds early on, they may just come around, ironically at first, and with their ears and heart by the time they reach their twenties. The Country Music Fun Time Activity Book is a great place to start, giving children a chance to become acquainted with country music legends new and old; this is the sort of activity book they'll treasure as adults, wishing they had a clean copy for their own kids. Activities include connect-the-dots (Lyle Lovett's hair, George Strait's hat and David Allan Coe's beard), picture coloring (Kenny Rogers, Clint Black, Linda Ronstadt,

Emmylou Harris, Charley Pride, and more) navigating mazes (help Brooks find Dunn, return Buck Owens to Bakersfield, help Willie Nelson evade the taxman). There's an alt.country crossword puzzle, Madlib-styled fill-in-the-blanks (Hank Williams' "Move it On Over" and Dolly Parton's "9 to 5"), word searches, drawing grids (Merle Haggard, Loretta Lynn, Waylon Jennings and Hank Williams), a Hocus Pocus-styled spot-the-differences puzzle, codes, anagrams, and a chance to decorate the back of Gram Parsons' jumpsuit. This book is clever, informative and fun, and whether you set it on a coffee table, stuff it in the map pocket of your eighteen-wheeler, or let your 4-year-old have at it with crayons, it will spark many smiles. [2009 hyperbolium dot com]

Sure to delight fans of old country legends and new tabloid faves, this whimsical book moseys through a variety of classic activities, such as connect-the-dots, coloring, and simple puzzles.

"Just good goofy fun." 410media.com
