Gail Bowman : Country Tales before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Tales:

1 of 2 people found the following review helpful. As funny and enjoyable as Raising Meat Goats for Profit!By A CustomerI bought this book with Raising Meat Goats for Profit by the same author, because I read the outrageous reviews about Gail Bowman:"Gail Bowman is the sort of writer that all authors could learn from.""I am sure that any one that reads English will love this book... even if you never want to raise goats!""If I were still publishing farm

magazines I would definitely be shouting the news to my readers. Raising Meat Goats for Profit is a Masterpiece!"With reviews like that Country Tales had a lot to live up to - I absolutely loved it! Funny, witty, with the same style and panache that Gail Bowman shows in her other book! I highly recommend it!2 of 2 people found the following review helpful. Really funny!By A CustomerI loved this book! It is light, thoughtful and so funny it had me doubled up and reading it out loud to my husband. I would recommend this book to anyone who wants to take a minute and enjoy life!

A much-anticipated move to the country sets the stage for Gail Bowman's predictably hilarious recollections of life, love, raising children, raising livestock and raising Cain in the country. Gail's conclusion: Life is just funny! And you have to have nerves of steel to survive it! So sit back and get ready for a wild ride through the Idaho countryside with one of America's favorite funny ladies! This book makes the perfect gift idea for the country Mom in your house!

"Country Tales twists and turns down the back roads, sprinkled with characters... which make life... belly-busting funny!" -- Small Farm Today Magazine"Whether you live in the city or country - this is funny stuff." -- The Good LifeFrom the PublisherWhile Gail's Characters are facing fractious children and runaway livestock, you will find yourself laughing along.About the AuthorGail Bowman lives in Twin Falls, Idaho with her husband and their 5 children. Gail has a Bachelor's Degree in Education, and many years of teaching and writing experience. In 1997 Gail began writing humorous and informational articles for several magazines. Raising Meat Goats for Profit is Gail's first book, however she is very excited to announce that she has a new book out called Country Tales.
