**Aubrey Malone : Country Wit: Quips and Quotes on Rural Pursuits (Witwit)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Wit: Quips and Quotes on Rural Pursuits (Witwit):

Full of good old fashioned ruminations on farm life and country living, a collection of quotes to bring us back to our roots

"When one is in town one amuses oneself. When one is in the country one amuses other people.' Oscar Wilde 'There are three easy ways of losing money - racing is the quickest, women the most pleasant, and farming the most certain.' Lord Amherst 'Country manners dictate that even if somebody phones you up to tell you your house is on fire, first they ask you how you are.' Alice Munro" About the Author Aubrey Malone
