From Brand: Red Deer Press : Cowboy Logic: The Wit and Wisdom of the West (Roundup Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cowboy Logic: The Wit and Wisdom of the West (Roundup Books):

In this sampling of ranch-savvy humor, Ted Stone, editor of the best-selling Roundup Books series, has collected more than a hundred sayings of cowboy philosophy and lore. Rich in wit and down-on-the-ranch common sense, Cowboy Logic will keep you chuckling page after page.
