Glenn Dromgoole : Cowboys at Heart before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cowboys at Heart:

Cowboys are the great American hero. Why do we love them so much? Because:--They hang in there when the going is tough.--They go the distance.--They get the job done.--When they get bucked off, they get back on.--They appreciate a good pair of boots.--They tip their hat.--They get what they're after.--They believe in teamwork. In keeping with Glenn Dromgoole's other bestselling titles, *Cowboys at Heart* will include text for each entry, along with wonderful photography to illustrate each theme.
