(author) Maddox : Crappy Children's Art (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Crappy Children's Art (Paperback) - Common:

From the bestselling author comes an outrageous, laugh-out-loud critique of children's artwork that finally cuts those smug little know-it-alls down to size. Based on Maddox's most popular feature on his Web site, the book features 95 percent exclusive new content.
