Who said, "It takes a crazy man to fall in love"? He must not have read "Crazy About My Wife"! This gift book allows a man to lose his mind-and heart-to the girl of his dreams. With carefully chosen words and colorful, creative art, all the little things a guy feels for his loved one are articulated with gentle humor and sweet sentiment. Give this as a gift (with a much longer life than flowers), and your wife will love you for it. Surprise her for no reason at all-except that you love her.
