**Dick Hyman : Crazy Laws** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crazy Laws:

0 of 0 people found the following review helpful. very disappointing - buying just the first or last would have been fine because the repetition was annoying and while they wereBy AM FANI purchased all 3 expecting them to be different due to succession, very disappointing - buying just the first or last would have been fine because the repetition was annoying and while they were inexpensive, all three resulted in wasting money6 of 7 people found the following review helpful. Wonderful bookBy ...Loggie...This book is merely a collection of laws that do not make sense. In Illinois, for example, it is against the law to speak English. Some of the laws make you wonder what was going on that this had to be made into a law. Some of these laws made me laugh out-loud, both at the law itself, and at the thought of trying to enforce them now. Many of them are odd, weird, and, well, crazy.The book is organized by the subject of the laws. All laws about tightrope walkers are under the heading `Tightrope Walking.' All laws about keeping alligators are under `Alligators.' All these titles are organized in alphabetical order. In some cases this makes it difficult for one to find a law about a particular subject because you have to guess what title they are going to use for it.Scattered throughout this books pages are funny cartoon pictures in black-and-white. These cartoons are funny, and they illustrate some of the wackiness in these laws. For example; Who ever thought they were going to see a picture of a policeman stopping a man driving a car into town because he has a horse in the back seat?Loggie-log-log-log4 of 7 people found the following review helpful. Crazy list of Crazy Laws.By Norman HawleyFunny collection of strange laws and cartoon illustrations

It is against the law not to read this book. Well, there could be such a law. Take a look at those now or once on the books. Did you realize, for instance, that it's against the law - - To bite your landlord in Rumford, Maine?- To make faces at dogs in Normal, Illinois?- To gargle in public in Louisiana?- To eat snakes on Sunday in Kansas?- To drive more than 2,000 sheep down Hollywood Boulevard at one time?- To pawn your wooden leg in Delaware? These and many, many more are all in this funny, funny collection of crazy laws enacted over the years in cities and states coast to coast. Illustrated with hilarious cartoons by Tom Eaton.
