Nora Ephron : Crazy Salad: Some Things About Women (Modern Library Humor and Wit) before purchasing it in order to gage whether or not it would be worth my time, and all praised Crazy Salad: Some Things About Women (Modern Library Humor and Wit):

0 of 0 people found the following review helpful. Classic EphronBy Thomas DunnIf feels strange to be writing a

review of Ephron's first collection of pieces. For me to "rate" Ephron. I mean, get serious. This comic wit with her endless gift for ironic commentary bolstered by keen observation. Anyway, here I am reviewing one of the great American masters of the review. Her grasp of the New York literary and social scenes and her openly feminine and feminist approach to them make her decades of essay offerings a national treasure. 12 of 13 people found the following review helpful. Nora Ephron - helps me keep sane during my new chapter after leaving my job and turning 57! By Laurie S. Kaczanowska Nora Ephron's books generally are the best tonic for a woman who is about to embark on a new life after retirement. Which is my case, 57 year old former City Attorney moves to Poland, culture shock, no job identity, body is looking run down, want to start a new life and do it with the right attitude- she is helping me do it! Her humor lifts up my day and makes me laugh at myself. I love her and all of her books!!!! I can't wait to see her Broadway show! 1 of 1 people found the following review helpful. Best authors She wrote Great funny books all By Lyletta J. Groves One of the. Best authors She wrote Great funny books all wonderful

The classic *Crazy Salad*, by screenwriting legend and novelist Nora Ephron, is an extremely funny, deceptively light look at a generation of women (and men) who helped shape the way we live now. In this distinctive, engaging, and simply hilarious view of a period of great upheaval in America, Ephron turns her keen eye and wonderful sense of humor to the media, politics, beauty products, and women's bodies. In the famous "A Few Words About Breasts," for example, she tells us: "If I had had them, I would have been a completely different person. I honestly believe that." Ephron brings her sharp pen to bear on the notable women of the time, and to a series of events ranging from Watergate to the Pillsbury Bake-Off. When it first appeared in 1975, *Crazy Salad* helped to illuminate a new American era--and helped us to laugh at our times and ourselves. This new edition will delight a fresh generation of readers.

"Funny, shrewd, devastating."--Newsweek "A woman for all seasons, tender and tough in just the right proportions."--The New York Times "Always funny."--Mademoiselle "Pure delight."--Playboy From the Inside Flap The classic *Crazy Salad*, by screenwriting legend and novelist Nora Ephron, is an extremely funny, deceptively light look at a generation of women (and men) who helped shape the way we live now.
