Robert Schnakenberg : Crazy Sh*t Presidents Said: The Most Surprising, Shocking, and Stupid Statements Ever Made by U.S. Presidents, from George Washington to Barack Obama before purchasing it in order to gage whether or not it would be worth my time, and all praised Crazy Sh*t Presidents Said: The Most Surprising, Shocking, and Stupid Statements Ever Made by U.S. Presidents, from George Washington to Barack Obama:

0 of 0 people found the following review helpful. Coffee tableBy mycorrhziaeI realize we have a president now that

Trumps this book for authoring offensive, crazy, and "crazy s#it", but this book is what it is: a coffee table/bathroom reader. The book is interesting with a fun collection of random quotes. All of the quotes have a story behind them, so if your historical understanding is not very deep, maybe you will not appreciate the book for what it is. I think in a instant gratification produced "reality" world, many people want the book to entertain you with crazy quotes Beavis and Butthead style. Not here, just interesting quotes from presidents. 0 of 0 people found the following review helpful. HE SAID WHAT? By Iris in the woods Incredible find. Astounding words that shot out of the mouths of our presidents is humorous and insightful. 1 of 1 people found the following review helpful. Too bad. By A. Howe Although there were many quotes, there was no context included, which made many of them irrelevant. I bought this for someone who loves reading about presidents, and we both put it down quickly. Too bad.

With the country more polarized than ever, the 2012 presidential election is expected to be one of the most heated in our country's history. Among all the polished speeches and great sound bites, sometimes in that torrent of official and unofficial remarks, some real head-scratchers slip out. Crazy Sh*t Presidents Said consists of 1,000 crazy, surprising, eye-popping, historically verified quotations, arranged thematically by subject. "I don't know much about Americanism, but it's a damn good word with which to carry an election." —W. G. Harding "I have often wanted to drown my troubles, but I can't get my wife to go swimming." —Jimmy Carter "I always figured the American public wanted a solemn ass for president, so I went along with them." —C. Coolidge "If I don't have a woman for three days, I get terrible headaches." —John F. Kennedy

About the Author Robert Schnakenberg has been called "the Howard Zinn of nerd pop culture." He is the author of more than a dozen books, including Old Man Drinks, Christopher Walken A-to-Z, Secret Lives of Great Authors, and The Encyclopedia Shatner--the world's first A-to-Z guide to the life and career of William Shatner. His work has appeared in Penthouse.
