**Lark Crafts : Creative Christmas Coloring** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Christmas Coloring:

3 of 3 people found the following review helpful. Festive images to color...By Cindy ButlerSummary:"Creative Christmas Coloring" features 124 colorable illustrations, 3 introductory pages, and a single page of additional information. It measures approx. 8.75 inches square and is sewn into a matte finish cover with foil accents. Featuring black and white line drawings inspired by the Christmas season, this book is appropriate for colorists on all ages and skill levels.Paper:The paper contained in this book is bright white and medium thick(think scrapbooking weight). All pages are double sided and non-perforated. Dry mediums should be okay to use, but wet products may bleed through and ruin the back of your page. Be sure to place several blotter sheets under your current picture to prevent color transfer.Artwork:As the title implies, "Creative Christmas Coloring" is themed for the winter holidays. Inside you'll see pine trees, ornaments, presents, snowflakes, stars, sweets, poinsettias, a host of animals, and more. There are a large number of double page patterns, but all break before entering the binding. Should you choose to remove any images, no artwork will be lost. Detail level varies throughout and print quality is nicely done. Picture completion time should range from 2-6 hours(may be slightly different for each individual). Overall, this is a fun Christmas book that can be enjoyed by the whole family. I would recommend it to colorists who enjoy festive or seasonal imagery.

Have a merry, colorful Christmas! Celebrate the holiday with this beautiful coloring book, filled with delicate

snowflakes, stockings hung by the chimney with care, and pretty garlands. This creative and festive book will definitely put you in the Christmas spirit!
