In a world where we are told to be politically correct, mind your manners and do not cuss. Ms. London found a creative way around these rules. I laughed so loud I snorted. We need more books like this, fun and light hearted.0 of 0 people found the following review helpful. Five StarsBy

CustomerMade me laugh til I cried! My new GO-TO book for when I'm completely frustrated!

Profanity. Foul language. Cussing. Bad words. There is an explicative for every human situation. But what do you do when your standard four letter curse just isn't enough? You create your own!
