You only get 5 and the cardstock quality was so-so. For quality and quantity I would rather purchase the faith cards you can can color. They cost less, get many more (44 compared to 5), the cardstock is higher quality than this and the faith cards also come packaged in a very sturdy and cute box compared to the plastic bag for these bookmarks. I gave the product 2 stars because the designs were nice, but I can't really recommendbuying these Bookmarks and won't purchase them again.
