NishikiGreat for learning to draw fashion figures in various poses and clothing, and to color; lots of blank framed pages to draw/color your own fashion figures. Illustration of steps to drawing fashion figures is clear and easy to follow; good for beginners. I use this booklet as an instructional guide in drawing fashion figures and clothing; coloring parts of the steps shown, to emphasize it, makes for learning to draw fashion figures easier and much nicer.

Aspiring fashion illustrators can learn the basics with these step-by-step instructions for drawing 15 outfits. From cool and casual to sleek and dressy, the designs feature completed illustrations to color or trace. Blank pages for sketching practice are perforated for easy removal, and full-color images on the inside covers offer inspiration. Specially designed for experienced colorists, *How to Draw Fashion Figures* and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.
