**Matt Mogk : I Saw Mommy Biting Santa Claus: A Zombie Christmas Story** before purchasing it in order to gauge whether or not it would be worth my time, and all praised I Saw Mommy Biting Santa Claus: A Zombie Christmas Story:

0 of 0 people found the following review helpful. Fantastic random gift! By MihowFun art. Fun story. Zombies! The perfect white elephant party gift. Having read through it before giving it away I am almost tempted to buy one for myself as well. It's a novelty but it could be one of those things taken out once a year for fun, or better yet if you have young ones. 0 of 0 people found the following review helpful. A new twist on a classic holiday story. By T. FayChristmas, spooky style. I loved this book. It was a delicious and delightful experience (the reading of the book that is). I love all things zombie (even before the zombie craze rose from the dead) and this book met my craving in new and interesting way. 1 of 1 people found the following review helpful. Christmas Fear. By Ace Rimmer. A quaint tale to prepare children for the Zombie Apocalypse we all know is coming. It tells of a child who sees his mother turn and gets out of town with a friend and his dog.

I Saw Mommy Biting Santa Claus is a new spin on a holiday classic that tells the story of a suburban zombie outbreak and the little boy who knows just what to do. When Johnny finds out that his mother has turned into a zombie and has attacked Santa Claus, he knows that it's up to him to put the living dead (back) to rest. While the chaos spreads from the mall to the Christmas parade, Johnny finds his friends Glenn, Barb, and Ben, and they devise a plan to not only protect themselves and their dog but to make sure to get to Grandma's house before the zombies take over town. While they've planned for the worst, nothing could prepare them for watching jolly old Saint Nick get devoured by mindless zombies. This clever take on a Christmas tradition is right up the alley of anyone who ever wondered what would happen if a zombie outbreak took place during the holiday season. I Saw Mommy Biting Santa Claus is a beautifully gory tale that's sure to become a classic for fans of the holidays and the living dead.

About the Author When Matt Mogk was a little boy, he suspected his mom might be a zombie. Turns out she wasn't, but that experience led him to start the Zombie Research Society (ZRS) and become the leading global authority on all things undead. He is also the author of *Everything You Ever Want to Know About Zombies and That's Not Your Mommy Anymore*. He lives in Los Angeles, California. Chad Lewis is an illustrator and fine artist who has always had a love of zombies. He has illustrated several books, including *Bean is Born*, *Pigshaven*, and *The Journeys Visit Africa*. Originally from the Blue Ridge Mountains of Virginia, Chad currently resides in Harrisonburg, Virginia, with his new wife and puppy.
