Ted Scheu : I Tickled My Teachers: 62 Hilariously Heartful School Poems before purchasing it in order to gage whether or not it would be worth my time, and all praised I Tickled My Teachers: 62 Hilariously Heartful School Poems:

1 of 2 people found the following review helpful. CuteBy Audrey WuThis book is a fun little book that has a bunch of silly poems that most kids will like. There are lots of very quirky black and white pictures of close-up images of kids faces making silly expressions, which is a nice touch and works well with the poems. The themes of the poems are very kids-related and entertaining. I think all kids should read more kids poetry books - it's a great way to keep kids

excited about reading in general and especially, away from the TV and computer! Serious folks. Stock up on more books for your kids and get them reading in the shade of a tree or by a brook. Get them outside and using their brain!

Tickle Your Teachers! Build an Anti-Homework Time Machine! Learn the Perfect Answer to Any Question! Celebrate Backwards Walking Day! (!Too Day Talking Backwards And) Fasten your giggle belts! Here come more dangerously funny poems from one of the most hilarious and "heartful" children's poets in the solar system Ted Scheu. In these 62 delicious poems, he has, as always, carefully captured kids laughs and concerns about school and life. And, once again, Peter Lourie's stunning photos capture faces that are guaranteed to put a smile on yours! You'll be totally tickled (and so will your teachers, whether they like it or not!)

By night, Ted Scheu is a children's poet extraordinaire; by day, a children's shrink roaming the halls of kids brains. How else does one capture, spot on, a wacky elementary child's mind? --J. Patrick Lewis, Award-winning children's author and poet
A delightful, funny, and often poignant expression of today's school children, this book will amuse and inspire kids to write, write, write! --Jean Marzollo, Author of the "I Spy" Series
Ted Scheu's poems, along with Peter Lourie's photos, provide just the right combination of mischievous humor and emotion to entertain poetry-hungry kids. Full of waggish poems and faces that will surely tickle both teachers and students... --Rebecca Kai Dotlich, Poet and author of books for young readers
