Encore!By Tragedy then FarceMr. Kuiper, please, please write a revised and expanded version and re-issue this hilarious and informative book in time for the 2016 election.

Just in time for the 2006 elections comes this indispensable addition to the Hillary oeuvre! From Dick Morris's foreword: This wonderful little book will give you all the ammunition you need to hold up your end of the argument and make sure that Hillary's quotes and lies are not forgotten but come back to haunt her. With Mrs. Clinton almost certain to play a big role in the 2008 presidential elections, a book that humorously but pitilessly underscores her hypocrisy and endless pandering could have a major impact on her chances. I've Always Been A Yankees Fan is sure to be one of the most applauded - and pilloried - Hillary titles of the year.

This collection of quotes - all from verified sources - puts the lie to Hillary's ""I feel your pain"" public persona." -- Dick Morris, one of the most prolific writers on the Clintons, is providing the forward.Goal is to make this title 2006's ""Don't Think of an Elephant."Marketing support for I've Always Been A Yankees Fan will include radio/TV appearances. In-store co-op marketing funds are available. --n/aGoogle Adwords, Overture and campaigns; blogger campaign designed to fan the ongoing controversy over Hillary's suitability for the Presidency. --n/aFrom the Publisher"What I would like in an ideal world, is for people to get to know Hillary." -- Lisa Caputo, Hillary Clinton's former press secretary Mission accomplished! From World Ahead Publishing -- the company that brought you Help! Mom! There Are Liberals Under My Bed! -- comes this indispensable addition to the Hillary oeuvre. As Dick Morris writes in the foreword: "This wonderful little book will give you all the ammunition you need to hold up your end of the argument and make sure that Hillary's quotes and lies are not forgotten but come back to haunt her." Using extensive, attributed sources, editor Tom Kuiper has assembled the biggest collection of Hillary quotes ever, putting them into witty, sometimes illustrated and always hilarious context. Hillary on Living in Arkansas: "I had never before lived in a place so small, so friendly and Southern, and I loved it. I went to Arkansas Razorback football games and learned to call the hogs." "This is the kind of s*** I have to put up with." (To a friend after a Clinton supporter gave her a pair of Arkansas Razorback earrings.) Hillary on the Secret Service: "[We] have nothing but praise for their courage, integrity and professionalism, and we feel lucky to remain friends with the many agents who protected us." "If you want to remain on this detail, get your a** over here and grab those bags." (To an agent who wanted to keep his hands free in case of a security threat.) Hillary on Money: "Too many people have made too much money." (Describing the greedy people in the health care industry.) "I'm pleased that the Senate Ethics Committee has found that my agreement with Simon Schuster fully complies with Senate Ethics rules." (Discussing her \$8 million book deal.) From health care to Oval Office hijinks, from Watergate to Whitewater, we've got Hillary dead to rights in a book that humorously but pitilessly underscores her hypocrisy, flip-flops and endless pandering -- and one that could have a major impact on her Presidential aspirations."About the AuthorTom Kuiper grew up in Sibley, Iowa, and graduated from Iowa State University with a degree in Communications.
