**Ashleigh Brilliant : I Want to Reach Your Mind...Where Is It Currently Located?: More Incredibly Brilliant Thoughts** before purchasing it in order to gage whether or not it would be worth my time, and all praised I Want to Reach Your Mind...Where Is It Currently Located?: More Incredibly Brilliant Thoughts:

7 of 7 people found the following review helpful. Brilliant ThoughtsBy BarryI'm the guy who this book is dedicated to. The book is written by my cousin, Ashleigh Brilliant of Santa Barbara, CA. Ashleigh has a Ph.D in History and as someone who appreciates history of all sorts, he is a keen observer of the changing times. He has that inept ability to view current events/situations and translate it into a comment 18 words or less. His epigrams bring a smile to millions and turn on the lightbulb in the minds of many more. After reading his thoughts in this book, you begin to think....."Where is my mind, come to think of it?". And in the words of one of his over 10,000 works and the name of one of his more than 20 books, "I may not be perfect, but parts of me are Excellent" (copyright, Ashleigh Brilliant, Santa Barbara, CA...all rights reserved!!!)Barry Cantor0 of 1 people found the following review helpful. Five StarsBy Keith Gbrilliant2 of 2 people found the following review helpful. Another Great Book By A Unique TalentBy Steve M.I have been a fan of Ashleigh Brilliant ever since reading his first book, I May Not Be Totally Perfect, But Parts Of Me Are Excellent, and have all but one of his books. The only reason I don't have that one, is because it was out of print by the time I became aware of it. His sayings are so relevant, because they address issues that affect all of us, in a way that is at once insightful and humorous. I love this book, as I love all of his books, and I would highly recommend it.

A dazzling collection of witty and wise Pot Shots, or Brilliant Thoughts . . . illustrated epigrams that will inspire your personal quest for telling communication. Fresh, funny, wistful, bright; they may well reflect some of your own deep or whimsical thoughts. Ashleigh's Pot Shots are acclaimed, told and re-told, by young and old, secular and religious, mainstream and offbeat they speak to everyone. What they say: Clifton Fadiman: Most enjoyable; Isaac Asimov: Good one-liners; Richard Armour: Wise, and witty; People magazine: Artistic trailblazer, Ashleigh Brilliant coins epigrams that would drive Oscar wild. Ashleigh's Pot Shots are copyrighted and the names Pot Shots and Brilliant Thoughts are registered trademarks.
