**Bobbie Berendson W : Inky Witches Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inky Witches Coloring Book:

0 of 0 people found the following review helpful. Original art, great artistBy Heather LaneI love all of Bobbie's artwork. She does a wonderful job creating interesting and vivid characters in intriguing worlds. The detail associated with each image is amazing. I've been looking forward to this coloring book every since she posted her first Inky Witch for Inktober 2016. And she sure did deliver. Thank you Bobbie!0 of 0 people found the following review helpful. Awesome coloring funBy VampcriticLoved it! Loved it!Pen and Ink, in it's true form, is so swiftly disappearing from the artistic landscape in our digital world.So few artists choose to put actual ink to actual paper and deal with the smudges, the bleeds, and the real world mess.The artist's care and love of costume and fantasy burst from each image.Something for the witch lover in all of us#totallywitchen0 of 0 people found the following review helpful. I absolutely love all Bobby's artBy CustomerI absolutely love all Bobby's art. She is so talented. I own all her coloring

books and also some of her handmade jewelry.

Within these pages await 37 lovely line drawings of many witches, a sprite, a necromancer, and more. Each picture is clearly drawn line work ready to fill in with glorious colors. The first 31 illustrations were drawn by Bobbie Berendson W. for Inktober 2016. The last 6 are purely bonuses! No worries about ruining a picture on the reverse side, each picture is blank on the back.

About the Author Bobbie Berendson W. is an independent artisan living in the grand cultural hub of American Fork, Utah. A classical illustrator by training, and a lifelong student of history, costume and culture, she brings a unique perspective to her craft. Bobbie majored in Illustration as well as minoring in Anthropology with an emphasis in Archaeology and Forensic Anthropology. Full of dark themes, fantasy, humor, and Victorian grace her art and illustration is unique in style and imagination and is painstakingly drawn by hand with a variety of pens. She has won several local and national awards for her jewelry design and Steampunk illustrations.
