Anyone who's had a tangle with the legal system may not see the funny side of what happened to them, but would you rather laugh than cry? I'd rather laugh. Lesson learned.4 of 4 people found the following review helpful. Great gift!!By J. KennelThese cartoons are funny, and the book is great for lawyers or for anyone. Nice gift for someone who has "everything," or for an unusual gift for an office party.2 of 4 people found the following review helpful. So incredibly not funny.By B-rad PTI consider myself a person with a decent sense of humor. This book is just simply not very funny.
