**Christina Potter : Insider Training: Chester Gigolo's Dog Training Secrets Revealed** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insider Training: Chester Gigolo's Dog Training Secrets Revealed:

2 of 2 people found the following review helpful. CHESTER WOW'S US AGAIN !!By Kathy D. PoncyI am so excited, Chester Gigolo has written another book, and, WOW , is it ever a good one. In his unique, engaging style, he

leads you through the basic instructions you need to have your dog or puppy become the member of your family you always dreamed he or she would be. Chester writes with reality and humor that will have you returning to this easy to read and apply book many times. In fact, I told my cats to beware, I will soon begin to use the things I learned with them. They are excited. A couple of specific tips I enjoyed hearing from Chester include, his narrative on using your dog's name within commands to behave in a specific way. How right you are, Chester, if I heard my name a million times a day in many different requests, I would be totally confused. Lastly, You, my dear friend, will enjoy this too. I finished reading your book on Friday night; on Saturday morning I went to my favorite Pet Food spot - Pet Express to shop for my furry family. Parked next to me was a car in which waited a Great Dane. This overwhelmingly big dog was hanging over the front and back seats waiting for his dad to bring the delectable goodies out of the store; and it just so happened that the dad and I walked to our cars at the same time. Here is the request made by this gorgeous dog's dad as he opened the door to his vehicle. In a very calm and conversational manner, he said, "Move over, please." and in the wink of an eye, big doggie did just that. I wanted to run right over and say, "Oh my gosh, you just finished Chester's book too and look at how beautifully that worked." I should have also told him to go buy many more copies to send to his friends for Christmas as that is what I am going to do. Thank you, Chester, for writing you instructive, funny, so easy to read books. Kathy Poncy Bend, Oregon 0 of 0 people found the following review helpful. The training recommendations may be useful for a number of different breeds By Allyn B. I am recent aficionado of the Picard breed, so found this book especially entertaining, and cogent. The training recommendations may be useful for a number of different breeds, especially those who combine sensitivity with active intelligence. I enjoyed the read. 2 of 2 people found the following review helpful. Five Stars By Customer Great positive training techniques. Even I can do them and my dog is responding.

Your dog ignores you when you call his name. Bath time is the stuff of nightmares. His barking annoys the neighbors. And your new puppy is out of control ... If you want a better life for you and your dog, this is the book you've been waiting for. You can successfully train your dog! In *Insider Training*, Christina Potter presents easy step-by-step instructions, humorously told through a dog's perspective, to successfully train your canine companion. Whether you're training for the home, the show ring, or the big screen, all breeds large and small will respond to the exercises, sound advice, and insightful tips contained in this book. Written by a professional dog trainer whose dogs have appeared in movies, on television, and on magazine covers, *Insider Training* will teach you and your dog, through positive reinforcement, how to become partners and enjoy your life together to the fullest.

Winner of the 2016 National Indie Excellence Award (Animals Pets) About the Author Christina Potter has been training dogs for over twenty years. She has trained various breeds such as Golden Retrievers, Chinese Cresteds, Berger Picards, and an Afghan Hound. She has spent thousands of hours working with dogs on print ads, websites, motion capture for video games, commercials, and television shows--both live and pre-recorded. She was the main trainer on such feature films as *Funny Games*, *As Good As Dead*, and *Our Idiot Brother*. She has also trained dogs to compete in Rally, Competitive Obedience, Conformation, and Agility. Christina, a federally-certified court interpreter, and her husband Taylor, a commercial airline pilot, currently live in the New York City area. They share their lives with their four dogs: Morgan, Hudson, Chester, and Pepe.
