Samantha Parks : Instant Respect (Mega Mini Kit) before purchasing it in order to gage whether or not it would be worth my time, and all praised Instant Respect (Mega Mini Kit):

Get a little respect for once! The shiny, silver miniature figurine is the perfect desktop accessory designed to provide much-needed comic relief on a stressful, ego-bruising day at work. Included is a mini book full of witty, urbane text about avoiding the stresses of the workplace, and ten cards full of ego-boosting phrases-a great gift to yourself or an officemate.
