Jerry Lewis : Instruction Book For...Being A Person or (Just Feeling Better) before purchasing it in order to gage whether or not it would be worth my time, and all praised Instruction Book For...Being A Person or (Just Feeling Better):

9 of 9 people found the following review helpful. Jerry's First Inspirational BookBy Mark EbertThis is an excellent, brief, inspirational book. Years before DON'T SWEAT THE SMALL STUFF and other tiny inspirational books, Jerry Lewis knew what he was doing. This is a great "pick-me-up" type read and you will enjoy it if you are a HUGE Jerry Lewis fan like me, or if you just need a moment of inspiration.Jerry's words are precise and to the point and the illustrations add to the message.Makes a great gift!0 of 0 people found the following review helpful. Wonderful thoughts and good adviceBy C.D. HubbardI am a big fan of Jerry Lewis so I like to add to my collection. This is a nice little book. It has some wonderful thoughts and good advice in it.0 of 0 people found the following review helpful. Five StarsBy Anthony PriceThe memory righter is pretty neat

Jerry Lewis on Being A PersonIt was 1962. I was at Paramount filming The Nutty Professor, a labor of love that transcended everything else I had ever done. One day I felt instinctively that there were minor rumblings among my crew. Backbiting and envy are two of the most destructive forces I know of. So I went home that night, sat down and wrote a tome -- a small one, but a tome, on the benefits of being a person. I wrote down the words in a matter of two hours and had my sketch artist interpret what I wrote in sketches. Within one week I had the little book printed and bound and made up only 200 copies (my crew was a total of 185). I distributed the book to every member of that crew and it made a difference... and I created a small, worthwhile message to all who read it.
