**Ronan Moore : Irishography: Connemara, Croagh Patrick, Coppers and everywhere else we love in Irel** before purchasing it in order to gage whether or not it would be worth my time, and all praised Irishography: Connemara, Croagh Patrick, Coppers and everywhere else we love in Irel:

1 of 1 people found the following review helpful. Five StarsBy Customerfunny entertaining guide to places around ireland - great present!

A humorous and irreverent guide to every county in Ireland. With a keen eye and a sharp wit, Ronan Moore takes us on a cheeky tour of Ireland, pointing out the finest features of the fair isle along the way. Discover a side of Ireland

you've never seen before!

About the Author Ronan Moore is a secondary-school English teacher from Meath. When not telling first-year students that it doesn't matter if they use a blue or black pen and reminding Sixth Years there is life after the Leaving Cert, he lives at home with his wonderful wife Frances and their baby girl, Esme. *Irishography* is a follow up to the hugely successful *Irishology*.
