It's a bird! It's a plane! It's a cookbook! Move over men of steel! Make room mutants, aliens, and chemically or radioactively enhanced rescuers! Prepare to assemble your spatulas and get your "Flame on!" while the heroic Hallee the Homemaker (whose secret identity is Christian author and blogger Hallee Bridgeman) swings into action and shows her mettle with her third title in the Hallee's Galley parody cookbook series. Is your skillet-sense starting to tingle? Don't start crawling the walls, worthy citizen. Hallee constructs comic fun, jabbing at the cultural obsession with super powered heroes and villains. Along the way, readers will thrill to action packed explanations, daring "do it yourself" techniques, tremendous tips, and lots of real food/whole food recipes that achieve truly heroic heights. Ironically, while just a mild mannered cookbook by day, wrapped in a parody and surrounded by a comedy by night the recipes are absolutely real and within the grasp of ordinary beings. Along with revealing the stark truth about pepper and pots, learn how to clean and season cast iron and care for cookware so it will last for generations. Recipes run the gamut from red meats to vegetables and from fish to fowl. Super skillet breads and divine desserts rush to the rescue. In these colorful pages, you might just discover the x-factor to overcome even the most sinister kitchen confrontation. With Iron Skillet Man fighting for you, ordinary meals transform into extraordinary super powered provisions, whether cooking over a campfire or a conventional stove top.

About the AuthorHallee Bridgeman is a best-selling Christian author who writes action-packed romantic suspense focusing on realistic characters who face real world problems. Her work has been described as everything from refreshing to heart-stopping exciting and edgy. An Army brat turned Floridian, Hallee finally settled in central Kentucky with her family so that she could enjoy the beautiful changing of the seasons. She enjoys the roller-coaster ride thrills that life with a National Guard husband, a teenaged daughter, and two elementary aged sons delivers. A prolific writer, when she's not penning novels, she blogs about all things cooking and homemaking at Hallee the Homemaker(tm) (<http://www.halleethehomemaker.com>). Her passion for cooking spurred her to launch a whole food, real food "Parody" cookbook series. In addition to nutritious, Biblically grounded recipes, readers will find that each cookbook also confronts some controversial aspect of secular pop culture. Hallee is a member of the Published Author Network (PAN) of the Romance Writers of America (RWA) where she serves as a long time board member in the Faith, Hope, Love chapter. She is a member of the American Christian Fiction Writers (ACFW) and the American Christian Writers (ACW) as well as being a member of Novelists, Inc. (NINC). Hallee loves coffee, campy action movies, and regular date nights with her husband. Above all else, she loves God with all of her heart, soul, mind, and strength; has been redeemed by the blood of Christ; and relies on the presence of the Holy Spirit to guide her. She prays her work here on earth is a blessing to you and would love to hear from you. You can reach Hallee at hallee@bridgemanfamily.com
