Whoopi Goldberg : Is It Just Me?: Or Is It Nuts out There? before purchasing it in order to gage whether or not it would be worth my time, and all praised Is It Just Me?: Or Is It Nuts out There?:

1 of 1 people found the following review helpful. YES, IT's YOU, AND It's Nuts Out Here! By Atten Tiv GardenerFirst, the SELLER named E+ is Wonderful! QUICK mailing with good pkgng. As for The Honorable Whoopie Goldberg's "IS IT JUST ME? Or Is It Nuts Out There?", this book is well-worth buying! It even has quizzes in various sections and a scoring meaning-of-your-scores in the back, along with a Glossary. Truly one VERY FUNNY Spot-On

Book to have around. This definitely is one book I will re-read. Actually, I bought it for nephews nieces other friends, and read it before mailing one of the books out and LOVED IT enough to buy myself a copy. Buy it, Read Soak Up Enjoyment Ponderings, Pass It On if you can part with it! 0 of 0 people found the following review helpful. This is a great book! Fun to read for your own entertainment, or to give as a gift to someone who needs to learn social manners. By TRAVIS D. BOOTHE Whoopi is not only her classic brand of funny, but the book is highlighted with educational bits of knowledge, such as the reason behind certain saying. For example, why do Americans refer to coffee as a cup of Joe, and why do we not realize the racist implications? 0 of 0 people found the following review helpful. "Is It Just Me?" Or Is This Just an OK Book? By Crystal Starr Light Whoopi Goldberg sounds off against the strange things in this world - public toe nail clipping, talking on the cell while in the check-out line, and other general incivility. When you break it down, comedy memoirs/biographies such as "Is It Just Me?" have two basic criteria: humor (how funny is the author/comedian?) and interesting information (what interesting perspectives/ideas or new biographic bits are there?). I've now had the opportunity to read a grand total of three of these types of books: Bossypants by Tina Fey, Seriously...I'm Kidding by Ellen DeGeneres, and now this one. And if I had to rank them according to the previously two ascribed criteria, they would be as follows: Least

Have you noticed people aren't as polite as they once were or that rudeness is no longer an exception but a lifestyle? Sure you have. All you need to do is set foot outside your door to see that bad manners are taking over everywhere. Just look and you'll see: People yak on cell phones in restaurants, and even at church. Folks in carpools wear enough cologne to make your eyes bleed. Family outings to the ballpark are ruined by rowdy drunks. People talk in movie theaters like they are in their living rooms. Well, Whoopi Goldberg has noticed all this and more and asked herself, "Is it just me?" Unleashing her trademark irreverence and humor, her book of observations takes a funny and excruciatingly honest look at how a loss of civility is messing with the quality of life for all of us.

"Whoopi Goldberg takes on the decline of our country's civility." USA Today About the Author Whoopi Goldberg is the author of the Sugar Plum Ballerinas books, as well as Whoopi's Big Book of Manners, illustrated by Olo. She has won a Tony, an Emmy, an Oscar, and a Grammy, as well as two Golden Globes. In 2001 she was awarded the prestigious Mark Twain Prize for American Humor. Whoopi Goldberg has appeared in scores of films and is a host of ABC's The View. Whoopi Goldberg lives in New York and Vermont.
