Tom Connor : Is Martha Stuart Living? before purchasing it in order to gauge whether or not it would be worth my time, and all praised Is Martha Stuart Living?:

1 of 1 people found the following review helpful. This is hilarious! By Andrea Christ Okay...I never wanted to be a Martha Stewart protege, but I know a lot of people who have tried to emulate her. My sister got this for me many, many years ago, and I searched for it for a friend of mine. It will have you rolling on the floor...a great coffee table piece! 0 of 0 people found the following review helpful. Humorous parody. By g.g. mom of 5, wife of 1, nya to 4 Fun humorous parody of Martha Stuart Living and her other monthly magazines. Readers or followers of Martha Stuart will enjoy these parodies. 2 of 2 people found the following review helpful. HILARIOUS By M.B. Uhh....it's almost TOO well done!!! The subtlety, the sarcasm. Martha herself would be proud of the ideas and craft concepts presented. You will find yourself laughing out loud. Fits perfectly on my coffee table next to my real "Living" magazines. HAHAHAHAAAAHA

From the humorists who brought you, Martha Stuart's Excruciatingly Perfect Weddings and Martha Stuart's Better

Than You at Entertaining bring you this parody about the domestic diva and her magazines plus some easy to follow projects that you can try at home.

.com There's no middle ground on Martha Stewart: you either love her or you loathe her. Martha's minions would be advised to skip this one, but anyone who thinks the Connecticut-based tsunami of prepster style is an overbearing, soulless nightmare will love *Is Martha Stuart Living?* Here's a sample: "Now, using a protractor, steel T-square, and a 12,000-watt professional heat gun, construct four precise, 90-degree hospital corners.... You might not sleep very well, since corners this perfect require that you lie flat and stay still, but I never said this would be easy. I never said it would be fun. All I said was that it must be done." *Is Martha Stuart Living?* is filled with the meticulously staged photos that have become this team's trademark (they also did Martha Stuart's *Better Than You at Entertaining* and *Smyth Hawk'em*). The sumptuous shot of Calamari Gelato and the spread on how to make your own condoms are highpoints among the many laugh-inspiring tidbits. *Is Martha Stuart Living?* is a juicy parody, admirably skewered. About the Author Tom Connor is a Connecticut-based packager. He is also a cigar aficionado.
