Barbara R. Bergmann, James Cleaver Bush : Is Social Security Broke?: A Cartoon Guide to the Issues before purchasing it in order to gage whether or not it would be worth my time, and all praised Is Social Security Broke?: A Cartoon Guide to the Issues:

0 of 0 people found the following review helpful. A "simple" guide about Social Security to show to a fourth grader (or above -- hey I'm an adult and like it)By D. ArnettClear, lucid, and a little funny.

A funny, smart, and engaging book on Social Security? You bet! Let Bill and Betty Boomer, their parents Ed and Ethel Elderly, and the young married Steve and Sue Sprout take you through the thickets of this thorny issue. You will come to understand why people are so worried about Social Security, how it operates, how we can keep it going, the problems we would face under a privatized system, and why Americans have always chosen to shore up this important program. You will learn about the system and the current debates surrounding it--and find yourself enjoying it at the same time.
