Al Kustanowitz : Israel is a Funny Country: Funniest Jewish Videos on the Internet before purchasing it in order to gage whether or not it would be worth my time, and all praised Israel is a Funny Country: Funniest Jewish Videos on the Internet:

0 of 0 people found the following review helpful. Five StarsBy ELAYNE RISLEYDelightful and poignant. I also saw Al Kastanowitz in person in East Brunswick NJ thanks to the.0 of 0 people found the following review helpful. Very FunnyBy YonatanThe book is more a guide to short, funny videos on the internet. I can't guarantee every one of the

links is funny, but some will leave you in stitches. I really enjoyed it and continue to show some of the shtick on my Kindle with friends. 1 of 1 people found the following review helpful. Good Book...Good ValueBy ejmmjm This is a really useful book. It has some funny text, but above all it gives interspersed with the text some good websites to check out.

This book explores the multifaceted nature of humor in Israel, some of which is intentional and some of which is unintentional. Either way, the quirks of Israeli life contribute to making that life interesting and fulfilling. In the pages of this volume, we take a look at humorous slices of Israeli life, Israeli comedy, satire and parody, funny TV commercials, unusual stories about food, surprising rabbinic bans on daily activities, simchas as they can only be celebrated in Israel, and endearing aspects of Israeli culture. There are more than 120 anecdotes and links to video clips totaling more than six hours of video. We hope that these anecdotes and video clips give you a new and different insight into life in Israel, and encourage you to join in the fun by planning a visit to the land flowing with milk and honey.

About the Author Al Kustanowitz founded Jewish Humor Central, an internet blog, in 2009, to bring a daily dose of fun and merriment to readers who would otherwise start the day reading news that is often drab, dreary, and depressing. Each day thousands of subscribers in 160 countries get it by email, Facebook, and Twitter. Subscriptions are free. The blog posts vary from day to day, and include jokes, satire, parody, books, music, films, videos, food, unbelievable but true news items, and anything that brings a grin, chuckle, laugh, guffaw, or just a warm feeling to readers. Most are new, and some are classics. A long-term devotee of Jewish humor, Al has been collecting it even before there was an Internet. For the last 25 years he has been editor and publisher of The Kustanowitz Kronikle, originally a family newsletter that went public when the Purim editions became too popular to keep private. Now they're all available as a book, The Kustanowitz Kronikle: 25 Years of Purim Parody. In 2012, Al wrote a series of seven interactive books with the series title Jewish Humor on Your Desktop. The seven volumes are subtitled: Volume 1: Old Jokes and New Comedians Volume 2: Israel is a Funny Country Volume 3: Humor in Jewish Life - You Can't Make This Stuff Up Volume 4: Jewish Traces in Unexpected Places Volume 5: Yiddish is a Funny Language Volume 6: Jewish Holiday Hilarity Volume 7: Yiddishe Nachas All seven volumes and the complete collection in a single volume are available at .com in Kindle and paperback editions. This book, Israel Is A Funny Country, is a revised and expanded version of the second book in the series. Al presents lectures on Jewish humor and a unique comedy experience featuring the funniest Jewish videos on the Internet at synagogues, Jewish Community Centers, resort hotels, clubs and other locations. If you are interested in booking his one-hour comedy programs (there are six of them), you can contact him for more information by e-mail at akustan@gmail.com.
