I couldn't tell you how many times I was laughing at all the outlandish situations these women had gotten themselves into, and some of their antics leave that left me in stitches! I didn't know that tennis was such a competitive sport among the Austin elite. But women being women, they can be mean and bitchy to each other

whether it's at work or in competition. I just couldn't believe how they would taint the food and water given to the visiting team! And boy, does the fur fly when they happen to meet accidentally. One woman on J Morgan McGrady team bumped into a woman from another arch rival team by the name of Sindy (that's with an S) at a high-end hair salon/spa to have some nasty words with in the women's changing room on who is the better team. After her appointment, she finds her clothes are missing from her locker, also she finds her whole SUV covered with maxi-pads! Funny, but mean, when it's NOT happening to you! I'll tell you one thing, these women can swear worse than a drunken sailor when they get angry, so be prepared for some vulgar language. Some of the slang words that were used in the story are highly descriptive but very inventive. I love all the women on It's A Ball team and would be happy to call them my girlfriends. They were a great bunch of fun-loving, educated women who know how to have a good time and wins some tennis matches with a Roach Coach in tow! I can't wait for the next book by J. Morgan McGrady. I received a free copy of this book in exchange for an honest review. 0 of 0 people found the following review helpful. Funny! By Tania B Funny and entertaining! I'm a tennis player and found myself relating to her stories in this book about fellow opponents! LOL 1 of 1 people found the following review helpful. I'd give it more than 5 stars if I could. By J.M.FI couldn't put it down. This book is laugh-out-loud funny. It will probably be the most humorous book you read this year. I'd give it more than 5 stars if I could.

A raunchy, fictitious novel based on laughable true-life accounts, It's a Ball follows a team of eight misfit tennis players during the Austin League championship season and exposes the real country club tennis culture.

Attention all tennis bitches: prepare to meet your match. It's a Ball kicks asphalt! A gritty, hilarious, naughty novel that serves-up big laughs. --Sharon Crump, Internet Columnist Rumor-Has-It.net Bawdy and irreverent, J. Morgan McGrady's debut book about country club tennis is outrageously funny. I laughed so hard that I blew out an ovary! A must-read for any recreational tennis player. --Wendy Stevens, Head Tennis Pro Cedarway Country Club Finally, someone has exposed the dirty underworld about the country club occult. J. Morgan McGrady is one ballsy gal. This laugh-out-loud humorous novel made me pee my pants! --Jane Simpson, Proprietor The Bottleneck About the Author Much to the amazement of the literary world and the public little is known about the elusive author, J. Morgan McGrady. Only her tennis teammates at Cedarway Country Club and a few folks at the local shooting range claim to know the eccentric woman.
