Charles M. Schulz : It's a Big World, Charlie Brown (Peanuts (Ballantine)) before purchasing it in order to gage whether or not it would be worth my time, and all praised It's a Big World, Charlie Brown (Peanuts (Ballantine)):

1 of 1 people found the following review helpful. Comics for my youngsterBy Chie MPMMy son brings this book every time we go out. He's 5 and he enjoys the images and at the same time learn to read and understand through them. I prefer giving this to my 5 year old rather than Marvel or DC. These comics are perfect for his age.0 of 0 people found the following review helpful. Five StarsBy BonBonGreat comic book!0 of 0 people found the following review helpful. Five StarsBy Customeri enjoyed.

GOOD GRIEF!Life isn't always easy for Charlie Brown. Between that pesky kite-eating tree, a complete lack of valentines in the mailbox, and his troubles on the pitcher's mound it can be downright disheartening! Fortunately he has Snoopy, Linus, Peppermint Patty, and the Peanuts gang to make the big world seem a lot friendlier. Now, for the first time in book form and in full-color, It's a Big World, Charlie Brown presents a brand-new collection of your old favorites. It's just like peanuts—nobody can read just one!

From School Library JournalAdult/High School-Charlie Brown and friends are as geometric in form as they are

symbolic in character. In this new, full-color collection, variations on a variety of universal themes are delightfully grouped. Snoopy as writer, pilot, sports hound, and all-around cool dog shares the spotlight with his pals. Lucy, Linus, Peppermint Patty, Marcie, Sally, Woodstock, and Schroeder lope through a series of adventures that will be identifiable and humorous to young adults, and maybe even inspiration for budding cartoonists. Copyright 2002 Cahners Business Information, Inc. From the Inside Flap GOOD GRIEF! Life isn't always easy for Charlie Brown. Between that pesky kite-eating tree, a complete lack of valentines in the mailbox, and his troubles on the pitcher's mound it can be downright disheartening! Fortunately he has Snoopy, Linus, Peppermint Patty, and the "Peanuts gang" to make the big world seem a lot friendlier. Now, for the first time in book form and in full-color, "It's a Big World," Charlie Brown presents a brand-new collection of your old favorites. It's just like peanuts-nobody can read just one!

About the Author Charles M. Schulz was born in 1922 in Minneapolis, the only child of a housewife and a barber. His interest in comics was encouraged by his father, who loved the funny pages. After army duty, Schulz lettered comic pages for Timeless Topix, and sold seventeen cartoons to The Saturday Evening Post from 1948 to 1950 and a feature, Li'l Folks, to the St. Paul Pioneer Press. Peanuts debuted on October 2, 1950, and ran without interruption for the next fifty years. Schulz died on February 12, 2000, and his last strip ran the next day. Peanuts has appeared in 2,600 newspapers in 75 countries.
