CuteBy Cat LadyThis was a baby shower gift. Very cute but there is not a lot of content. Perfect for a little extra something but not a must have.0 of 1 people found the following review helpful. Not what I was expectingBy neuworld79I love baby blues and wanted to get something for my sister-in-law. This book is smaller than a CD case and didn't really have much in in. I would recommend just springing for one of the larger published collections. This was underwhelming.
