This book is full of hilarious photos and confirmation of things that we can all relate to or have suspected! It's a perfect gift for any dog lover. I gave it to my husband this past Christmas as a stocking stuffer and the truth is that we all love looking through it, including our 8 year old daughter. All pet owners can relate to the ups and downs that comes with having furbabies. This light-hearted book keeps us laughing about their antics.1 of 1 people found the following review helpful. Brought my grandma to tears of laughter on Christmas MorningBy Mike HennemanThis was the absolute perfect gift for my dog loving grandma. She was literally almost in tears laughing while reading it Christmas morning. She stopped opening all her other presents for 10 minutes as she thoroughly examined each page. It's written and put together well. If you have anyone you are close to that even remotely likes or understands dogs, it's a great read. HIGHLY RECOMMEND

Not all dogs go to heaven especially not these ones. This hilarious collection of canines confessing their crimes will leave you howling with laughter . . . and sometimes adoring the cuteness. Perfect for the dog enthusiast in your family,

this book makes a great gift that will have them laughing page after page!
