Frederick Rj Hartman : It's a Game of Two Halves before purchasing it in order to gage whether or not it would be worth my time, and all praised It's a Game of Two Halves:

0 of 0 people found the following review helpful. Great read if ya love the combo of a Life Lived Soccer!By Federico NeveReally did enjoy this book.. a man lost one of his dearest friends without warning.. the one thing these 2 men shared was a love for football (soccer), specifically QPR. (Queens Park Rangers) The story has so many stories and anecdotes woven fine that will bring laughter, joy and yes, a few tears along the way! His love for his friend is unquestionable. Freds writing style is not to be missed! Highly Recommend it!

"A love story. No it's not like any other love: this one is different as it's not boy meets girl, or boy meets boy, or girl meets girl, or indeed any other permutation of genders walking off into the sunset happily ever after." "It's a Game of Two Halves" is an extraordinary story of one man and his love of his team: Queens Park Rangers. But it is also much more than this. From the lows of losing Queenie - his ally in victory and defeat - to the highs of QPR's long-awaited and unnecessarily torturous 2011 promotion to the Premiership, Hartman weaves an emotional narrative of the life and loves of a football fanatic with surprising ease (for the non-football savvy) and expertise (for those who know and love the game as he does). Brilliantly funny in places, tear-jerkingly sad in others, this is a book for anyone who loves a good yarn - football-related or otherwise.
